

# REGIONAL WATER EXCHANGE HUB

## MEMBERSHIP APPLICATION FORM

## CALL FOR APPLICATION:

Join the Blue Peace ME Regional Water Exchange Hub!

We are launching a Regional Water Exchange Hub to encourage broad dialogue between media professionals, water experts, policy makers and members of the public about shared water, especially in the Middle East.

Our mission at Blue Peace ME is to strengthen water cooperation across borders, sectors, and generations, turning potential sources of water-related conflict into avenues of collaboration and peace. With our partner MiCT-Cewas, we are working to build a dynamic hub for dialogue and exchange between media, science, and policy focusing on shared water challenges and solutions.

We are now opening membership to professionals from the Blue Peace Middle East members countries – Iraq, Jordan, Lebanon, and Türkiye – as well as Iran and Syria.

By joining, you will be part of a dynamic network that focuses on knowledge sharing, collaborative storytelling, and creating solutions for the region's pressing water challenges.

Members will be expected to participate in bi-monthly meetings, contribute content, and participate in training sessions and regional events, all with the aim of creating a broad understanding of the shared water issues in the region and the benefits of adopting a WEFE-Nexus approach to resource management.

Please note that this is an unpaid position and that participation is on a voluntary basis.

If you are interested in contributing to our mission and our goals, apply through this form!

### **Important prerequisites:**

- You should possess at least a Bachelor's degree or diploma, preferably in a related field.
- You should have professional experience or have been actively involved in water-related sectors, journalism, or related fields.
- You must be from one of the specified countries: Iran, Iraq, Jordan, Lebanon, Syria or Türkiye.
- You must be willing to actively participate, collaborate, and contribute to the hub's activities and objectives.
- You should have a proven track record in water-related journalism, policymaking, research, advocacy, activism, or similar relevant fields.
- You must be open to engaging with a diverse group of professionals and experts from different backgrounds and disciplines
- Proficiency/fluency in English is a plus. It would be great if you felt comfortable communicating in English to ease the exchange with other hub members.

### **Application Form:**

To apply please check the link below:

<https://forms.gle/2thXXVAc62cUNvMB6>

Please submit this form by **17 December 2023, 16:00 Amman time**.

Remember, participation in the Blue Peace Regional Water Exchange Hub is unpaid.

Ensure you've reviewed all your responses for accuracy and completeness.

Joining the hub requires dedication, collaboration, and a sincere commitment to advancing the cause of transboundary water journalism and advocacy in the Middle East.

We look forward to reviewing your application!

**Submission Deadline: 17 December 2023, 16:00 Amman time.**
